All joints to be caulked must be sound, dry and clean before work is to commence otherwise an extra hourly charge will apply.

Alternatively all works may be taken on as an hourly rate of \$75 p/h plus materials and Gst.

Anything not listed above prices will be determined on a per job basis.

Metre rate prices are negotiable depending on the volume and condition of job.

All invoices are due 14 days from the date of issue unless otherwise negotiated before works commence.

All access is to be supplied by the customer/Builder unless otherwise negotiated before works commence.
